

TANTIA UNIVERSITY JOURNAL OF HOMOEOPATHY AND MEDICAL SCIENCE

Editorial

Volume 2 Issue 2(April-June 2019)

EISSN 2581-8899

From Editor Desk

This is April-June 2019 issue of Volume 2 of Tantia University Journal of Homoeopathy and Medical Science. The aim of this journal is meet the need for continuing medical education of the members, scholar and medical fraternity and to publish article of scientific excellence. As we believe that medicine has no borders, papers from many part of the world are welcomed for publication in the journal.

We are sure that our journal will provide top-quality original paper and article, case reports, and letters to the editor that will continue to help everyone interested in Homoeopathy and Ayurveda, Allopathy, Paramedical etc.. We again, hope that the journal will continue to be an important publication for scientific information on very broad and international level.

We would like to thank all member of the Tantia University, all members of the editorial board, reviewers, all author for support towards this journal.

Dr. Parveen Kumar
