From Editor's Desk

Dear Readers, Greetings!

Innovations happen everywhere, innovative concepts are the key for most successful when manage difficult to treat diseases. It may be simple alteration of existing technique to advanced therapeutics. But finally they yield better results. I congratulate all researchers and authors who bring out extraordinary trials, which save many lives. We thank you all for bringing out more interesting and innovative scientific research articles for this prestigious peer reviewed journal.

Our condolences to the demise of Queen of United kingdom **Elizabeth II** (Elizabeth Alexandra Mary; 21 April 1926 – 8 September 2022).

All the readers can publish their ongoing original research activities in the field of dermatology, cosmetology, aesthetic surgery, innovative therapeutic approaches with us. Artificial intelligence taken a major lead brings down the cost of investigations and treatment. We anticipate more research work on paediatric dermatology, geriatric dermatology, dermatosurgery, newer advances in the dermatology therapeutics, evidence based approach in all dermatoses, wide scope is there for all your works. Various categories available for publications: Personal view, review articles, original papers, professional papers, preliminary reports, reviews of scientific meeting and book reviews.

I whole heartedly congratulate our reviewers, editorial team and publication section of innovative team which are more energetic and enthusiastic. Even articles of cited by many researchers, even it appears in various indexed journals. I congratulate the innovative publications team for their tireless efforts in quick processing and faster communication with the authors and reviewers and also bringing out such innovative journal in the field of dermatology and its sub specialities. Advanced happy and safe Diwali to all.

Happy reading.

Dr. P.K. Kaviarasan

Professor and Head
