Step 2: Login to your account

Again click on Register tab and then login by entering your Registered Email and password.

The screenshot shows the top navigation bar of the IPIndexing Indexing Portal. The 'Login / Register' link is highlighted with a red box and a white arrow pointing to it. Below the navigation bar, there is a search area with a 'Notice Board' on the left and a search form on the right. The search form includes a search bar for 'Search Publication title...', dropdown menus for 'Select Subject', 'Country name', 'Select Sub Subject', and 'Publisher name', an 'ISSN' input field, and a blue 'Submit' button.

The screenshot shows the login form on the IPIndexing Indexing Portal. The 'Login' tab is selected, and the 'Publisher Register' and 'Author Register' tabs are also visible. The form includes a 'Login' heading, a 'Please Enter Your Email' label, an email input field, a 'Please Enter Your Password' label, a password input field with a visibility toggle, a 'User type' dropdown menu, a 'Remember Me' checkbox, a 'Forgot Password' link, and a blue 'Login' button.

The screenshot shows a close-up of the 'User type' dropdown menu. The menu is open, showing the following options: 'Select user type', 'Select user type', 'Publisher', and 'Author'. The 'Publisher' option is highlighted in blue. A blue 'Login' button is visible below the dropdown menu.

Step 3: Adding Journals

After Login, you will be able to see your dashboard. On the dashboard you have to click on “Add Journal for Indexing”. After that, you need to fill necessary details of journal such as Title, URL, Frequency etc. also you need to upload the cover photo of the respective journal. After filling all the details click on the submit button.
